

# GOMAL JOURNAL OF MEDICAL SCIENCES (GJMS)

VOLUME 16	JANUARY - DECEMBER	INDEX
No. 1	1- 32	January – March 2018
No. 2	33-64	April-June 2018
No. 3	65-90	July-September 2018
No. 4	91-120	October- December 2018

## SUBJECT INDEX

### A

#### **Aivar Bracka**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-oa

#### **Antibiotics**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

#### **Antimicrobial susceptibility**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

#### **Antimicrobials**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

#### **Atherosclerosis**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

### B

#### **Bed occupancy**

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-oa

#### **Blood**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-oa

#### **Brucella abortus**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

#### **Brucella mellitensis**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

#### **Brucellosis**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

### C

#### **Carpopedal spasm**

Frequency, distribution and presentation of hypo-

calcemia in Beta thalassemia major [Shah & others] 16(1): 2-oa

#### **Cervical lymphadenopathy**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-oa

#### **Cholangiopancreatography**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-oa

#### **Cholangitis**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-oa

#### **Common bile duct**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-oa

#### **Complications**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-oa

#### **Components**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-oa

#### **Contraception**

Association of contraceptive barriers with socio-demographic variables [Qadir & others] 16(3): 75-oa

### D

#### **Depressive illness**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-oa

#### **Diabetes mellitus**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

#### **Distal penile hypospadias**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypo-

---

spadias in male children: a randomized control trial [Shah & others] 16(2): 54-0a

### **DNA**

Use of DNA in human identification: from skin to genes [Fahmida Khatoon] 16(4): 117-ra

### **Dysphonia**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

### **Dyspnea**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

## **E**

### **Eclampsia**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Endoscopic retrograde**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-0a

### **Endothelial cells**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

### **Endothelial dysfunction**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

### **Endothelium**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

## **F**

### **Family planning services**

Association of contraceptive barriers with socio-demographic variables [Qadir & others] 16(3): 75-0a

### **Fibroid**

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-0a

### **FNAC**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-0a

## **G**

### **Genes**

Use of DNA in human identification: from skin to genes [Fahmida Khatoon] 16(4): 117-ra

### **Genetic code**

Use of DNA in human identification: from skin to genes [Fahmida Khatoon] 16(4): 117-ra

### **Genetics**

Use of DNA in human identification: from skin to

genes [Fahmida Khatoon] 16(4): 117-ra

### **Goiter**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-0a

### **Gynecological Surgery**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-0a

## **H**

### **Health resources**

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-0a

### **HELLP Syndrome**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Hemoglobin**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-0a

### **Heterotopic cartilage**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

### **Human identifications**

Use of DNA in human identification: from skin to genes [Fahmida Khatoon] 16(4): 117-ra

### **Hydrocephalus**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Hyperlipidemia**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

### **Hyperpigmentation**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

### **Hypertension**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

### **Hypertension**

Weight and volume of placenta in normotensive pregnancies versus pregnancy induced hypertension [Aman & others] 16(2): 51-0a

### **Hyperthyroidism**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-0a

### **Hypocalcemia**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

---

## **Hypospadias**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-oa

## **Hypothyroidism**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-oa

## **Hysterectomy**

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-oa

## **Hysterectomy**

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-oa

## **I**

## **Incisional Hernia**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

## **Indirect Inguinal Hernia**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

## **Infant mortality**

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-oa

## **Infertility**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-oa

Ovarian volume between fertile and infertile married women [Yunus & others] 16(4): 101-oa

## **Internet**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-oa

## **Intestinal Obstruction**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

## **Intestinal Pseudo-Obstruction**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

## **Intestinal Volvulus**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

## **Intraocular Pressure**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-oa

## **Iron deficiency anemia**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-oa

## **J**

## **K**

## **Karydakis technique**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-oa

## **Knowledge**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-oa

## **L**

## **Laparotomy**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

## **Laryngitis**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-oa

## **Libman-sacks**

Libman sacks vegetation presenting as systemic lupus erythematosus [Chatterjee & others] 16(1): 25-cr

## **Lymphoma**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-oa

## **M**

## **Maternal mortality**

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-oa

## **Mental Health**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-oa

## **Mullerian mixed tumor**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

## **Myalgias**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-oa

## **Myometrium**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

## **N**

## **Nd:Yag laser posterior capsulotomy**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-oa

## **Neonatal death**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-oa

---

## **Nitric oxide**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

## **O**

### **Obstruction**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

### **Ovarian volume**

Ovarian volume between fertile and infertile married women [Yunus & others] 16(4): 101-0a

## **P**

### **Paediatric Age**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

### **Pancreatitis**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-0a

### **Pandemics**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-0a

### **Paresthesias**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

### **Pattern**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

### **PCR**

Use of DNA in human identification: from skin to genes [Fahmida Khatoon] 16(4): 117-ra

### **Pediatric population**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-0a

### **Perinatal deaths**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Perinatal mortality**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Peritonitis**

Appendectomy; Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-0a

### **Pilonidal sinus**

Surgical outcome of karydakis technique in sac-

ro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-0a

### **Placenta previa**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Placental abruption**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Population**

Association of contraceptive barriers with socio-demographic variables [Qadir & others] 16(3): 75-0a

### **Posterior Capsular Opacification**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-0a

### **Postoperative satisfaction**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-0a

### **Pregnancy**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-0a

Weight and volume of placenta in normotensive pregnancies versus pregnancy induced hypertension [Aman & others] 16(2): 51-0a

### **Pregnancy-Induced**

Weight and volume of placenta in normotensive pregnancies versus pregnancy induced hypertension [Aman & others] 16(2): 51-0a

### **Prolapsed Uterus**

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-0a

### **Public Health**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-0a

## **Q**

## **R**

### **Reactive oxygen species**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

### **Restriction**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

## **S**

### **Sacro-coccygeal**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others]

---

16(1): 9-0a

### **Shunt infection**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-0a

### **Shunt obstruction**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-0a

### **SLE**

Libman sacks vegetation presenting as systemic lupus erythematosus [Chatterjee & others] 16(1): 25-cr

### **Snodgrass**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-0a

### **Sonography**

Ovarian volume between fertile and infertile married women [Yunus & others] 16(4): 101-0a

### **Spirometry**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

### **β-thalassemia major**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

### **Sterile vegetation**

Libman sacks vegetation presenting as systemic lupus erythematosus [Chatterjee & others] 16(1): 25-cr

### **Stillbirth**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

## **T**

### **Third trimester**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-0a

### **Thyroid Gland**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-0a

### **Tuberculosis**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-0a

## **U**

### **Umbilical Hernia**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-0a

### **Urethrocutaneous fistula**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-0a

### **Uterine rupture**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

### **Uterus**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

### **Utilization**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-0a

## **V**

### **Ventriculoperitoneal shunt**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-0a

### **Vocal Nodules**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

### **Voice Disorders**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

## **W**

## **X**

## **Y**

## **Z**

## AUTHOR INDEX

---

### A

**Aadil, M.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

**Adhikari, L.**

Libman sacks vegetation presenting as systemic lupus erythematosus [Chatterjee & others] 16(1): 25-cr

**Afza, N.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

**Ahmad, A.**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-0a

**Ahmad, H.**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-0a

**Ahmad, I.**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-0a

Teacher as research role-model [Nawaz & Ahmad] 16(3): 65-e

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

Screening: the cornerstone for secondary prevention [Iftikhar Ahmad] 16(4): 91-e

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

**Ahmad, M.**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-0a

**Ahmad, Z.**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-0a

**Ahmed, R.**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-0a

**Akhtar, M.N.**

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-0a

**Akhtar, M.N.**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-0a

**Akhtar, S.A.**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-0a

**Ali, M.A.**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

**Ali, S.M.**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

**Altaf, N.**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-0a

**Aman, S.**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-0a

**Aman, S.**

Ovarian volume between fertile and infertile married women [Yunus & others] 16(4): 101-0a

Weight and volume of placenta in normotensive pregnancies versus pregnancy induced hypertension [Aman & others] 16(2): 51-0a

**Amanullah, A.**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-0a

Ovarian volume between fertile and infertile married women [Yunus & others] 16(4): 101-0a

**Amir, S.**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

**Anbreen, F.**

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-0a

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-0a

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-0a

**Anwar, K.**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

**Anwar, S.**

Mucinous cystadenocarcinoma [Anwar & Saba] 16(2): 59-icm

**Azeem, R.**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-0a

### B

**Basharat, A.**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

**Billah, M.**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-0a

**Burki, F.**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-0a

**C****Chatterjee, P.K.**

Libman sacks vegetation presenting as systemic lupus erythematosus [Chatterjee & others] 16(1): 25-cr

**D****E****F****Farhat, N.**

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-0a

Farhat, N. Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-0a

**G****Ghafoor, M.**

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-0a

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-0a

**Gillani, S.**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-0a

**Gul, H.**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-0a

**Gulzar, R.** Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

**H**

**Habib, H.** Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

**Habib, H.**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-0a

**Habib, K.**

Spirometry findings in subjects presenting with

dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

**Hassan, S.**

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-0a

**Hayat, F.**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-0a

**Hayat, K.**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

**Hayat, Z.**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

**I****Idris, M.**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-0a

**Ilyas, M.**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-0a

**Iqbal, K.**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-0a

**J****Jadoon, S.**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-0a

**Jamil, M.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-0a

**Jan, M.A.**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-0a

**Javaid, M.**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-0a

**K****Kazmi, N.H.S.**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-0a

**Khan, A.**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-0a

**Khan, B.**

Frequency, distribution and determinants of iron defi-

---

ciency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-oa

**Khan, G.**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-oa

**Khan, H.**

Antibiotics in the management of brucellosis [Hayat & others] 16(4): 114-ra

**Khan, I.A.**

Need of genetic counseling services at District D.I.Khan [Khan & Khan] 16(1): 1-e

**Khan, J.**

Weight and volume of placenta in normotensive pregnancies versus pregnancy induced hypertension [Aman & others] 16(2): 51-oa

**Khan, M.**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-oa

**Khan, M.A.**

Clinical presentation of an extended consanguineous family inheriting Woolly Hair Hypotrichosis [Muzamil Ahmad Khan] 16(1): 24-icm

**Khan, M.A.**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-oa

**Khan, M.A.**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-oa

**Khan, M.A.**

Need of genetic counseling services at District D.I.Khan [Khan & Khan] 16(1): 1-e

**Khan, M.I.**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-oa

**Khan, M.N.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-oa

**Khan, M.T.**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-oa

**Khan, N.**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

**Khan, R.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-oa

**Khan, R.**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-oa

**Khan, R.**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-oa

**Khan, S.**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-oa

**Khan, S.**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

**Khan, S.**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-oa

**Khatoon, F.**

Use of DNA in human identification: from skin to genes [Fahmida Khatoon] 16(4): 117-ra

**Khattak, N.**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-oa

**L**

**M**

**Majeed, A.**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-oa

**Majumder, B.**

Libman sacks vegetation presenting as systemic lupus erythematosus [Chatterjee & others] 16(1): 25-cr

**Malik, F.R.**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-oa

**Manzoor, S.**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-oa

**Marwat, A.A.**

Frequency and distribution of different types of cervical lymphadenopathy in patients in D.I.Khan District, Pakistan [Marwat & others] 16(1): 12-oa

**Marwat, M.**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-oa

---

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-oa

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-oa

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

Urethrocuteaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-oa

**Maula, F.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-oa

**Memon, Y.**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

**Mumtaz, S.**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

**N**

**Naeem, A.**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-oa

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-oa

**Naeem, H.**

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-oa

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-oa

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-oa

**Najeeb, S.**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-oa

**Nawaz, A.**

Teacher as research role-model [Nawaz & Ahmad] 16(3): 65-e

**Nawaz, S.**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-oa

**Nayab, D.**

Frequency of early post-ERCP adverse events in both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-oa

**Niazi, Z.R.**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

**Noman, N,**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-oa

**O**

**P**

**Q**

**Qadir, M.**

Frequency and causes of perinatal mortality in a tertiary care hospital in Peshawar, Pakistan [Qadir & others] 16(1): 15-oa

**Qadir, S.**

Internet use behavior: emerging student mental health problem [Qadir & others] 16(2): 39-oa

Association of contraceptive barriers with socio demographic variables [Qadir & others] 16(3): 75-oa

Thirty day re-admission rate after short stay hysterectomy [Anbreen & others] 16(2): 35-oa

Type, time-trend and indications of hysterectomy [Anbreen & others] 16(4): 92-oa

**R**

**Rasheed, S.**

Ovarian volume between fertile and infertile married women [Yunus & others] 16(4): 101-oa

Weight and volume of placenta in normotensive pregnancies versus pregnancy induced hypertension [Aman & others] 16(2): 51-oa

**Rauf, A.**

Pattern of thyroid disorders among patients in Hazara Division, Pakistan [Kazmi & others] 16(2): 46-oa

**Razaq, A.**

Spirometry findings in subjects presenting with dyspnea in Bannu district, Pakistan [Maula & others] 16(1): 20-oa

**Rehman, A.**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-oa

**Rehman, A.U.**

Frequency of acute rise of intraocular pressure following yag laser posterior capsulotomy [Khan & others] 16(4): 109-oa

**Rehman, I.U.**

Frequency and determinants of depressive illness among infertile women [Khan & others] 16(3): 71-oa

**Rehman, S.**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-oa

**Rehman, S.**

Frequency of early post-ERCP adverse events in

---

both diagnostic and therapeutic procedures [Nayab & others] 16(2): 43-oa

**S**

**Saba, N.**

Mucinous cystadenocarcinoma [Anwar & Saba] 16(2): 59-icm

**Sabiha, Z.U.A.**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant women [Rehman & others] 16(3): 79-oa

**Saleem, O.**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

**Sardar, N.**

Causes of hydrocephalus and complications of VP shunt in pediatric population [Nawaz & others] 16(4): 97-oa

**Sardar, N.**

Surgical outcome of karydakis technique in sacro-coccygeal pilonidal sinus [Majeed & others] 16(1): 9-oa

**Shah, F.**

Types, sites and causes of mechanical intestinal obstruction [Ahmed & others] 16(3): 66-oa

**Shah, H.U.**

Urethrocutaneous fistula following snodgrass versus two stage aivar bracka repair of distal penile hypospadias in male children: a randomized control trial [Shah & others] 16(2): 54-oa

**Shah, K.**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

**Shah, M.**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-oa

**Shah, S.**

Frequency, distribution and presentation of hypocalcemia in Beta thalassemia major [Shah & others] 16(1): 2-oa

**Shah, S.H.**

Blood products transfusion during 2012-13 in Peshawar, Pakistan [Azeem & others] 16(4): 105-oa

**Shahabi, I.**

Sex & age-wise distribution and causes of dysphonia in children [Anwar & others] 16(3): 83-oa

**Shahid, R.**

Heterotopic cartilage in the myometrium [Gulzar & others] 16(2): 60-cr

**Shams, S.**

Frequency, distribution and determinants of iron deficiency anemia among third trimester indoor pregnant

women [Rehman & others] 16(3): 79-oa

**Sharjeel, M.**

Advanced stage of facial basal cell carcinoma [Muhammad Sharjeel] 16(4): 113-icm

Persistent pupillary membrane [Muhammad Sharjeel] 16(3): 88-icm

**Sherazi, S.A.H.**

Endothelial dysfunction: a cardiovascular risk factor [Khan & others] 16(1): 27-ra

Association of contraceptive barriers with socio-demographic variables [Qadir & others] 16(3): 75-oa
